

WS Gnat sleeping peacefully in his light-bulb house in the piano.

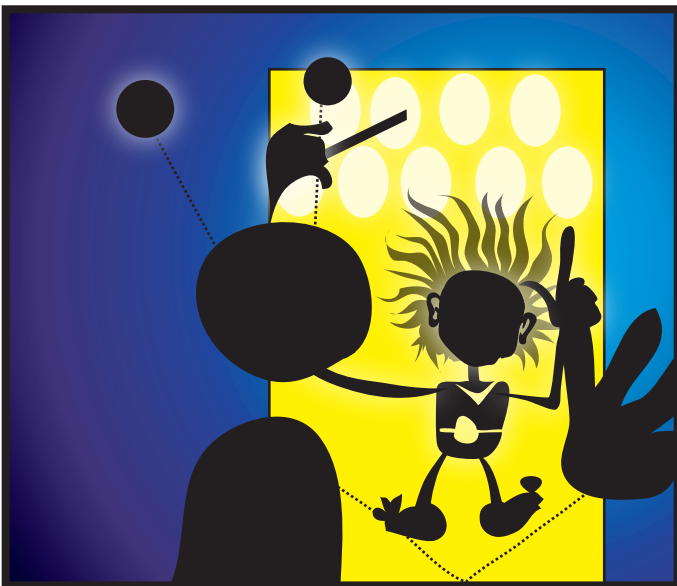

CU Gnat sleeping peacefully.

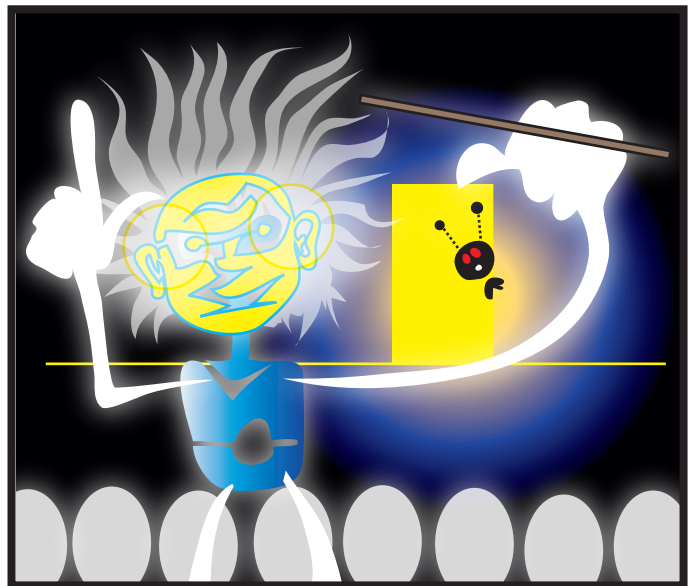

CU Conductor tapping stand; orchestra behind him warming up.

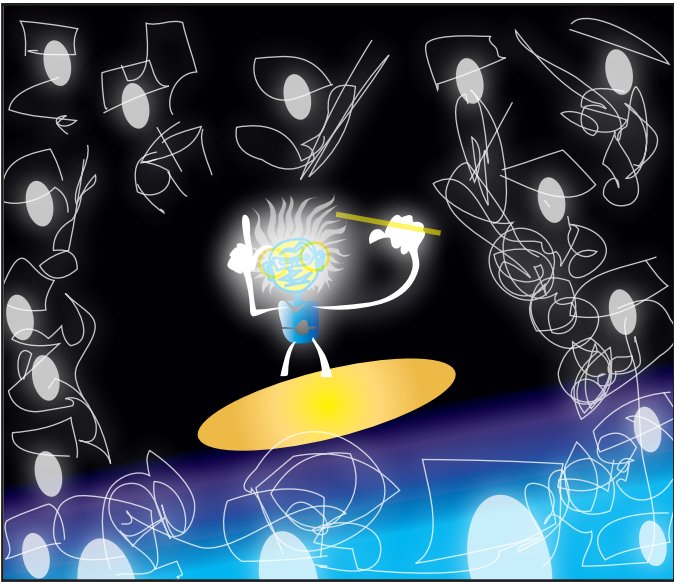

Door blasts open in burst of music that knocks Gnat out of bed.

Gnat looks out his door to find Spark conducting the orchestra.

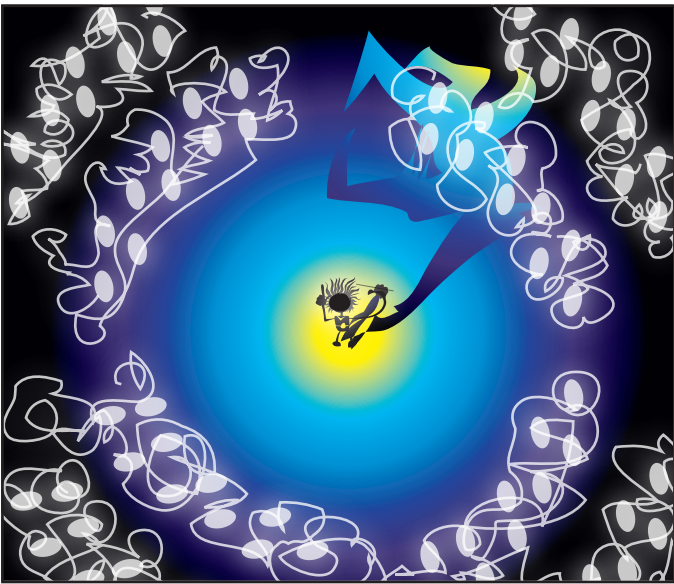

Reverse of Gnat watching the orchesting from his room.

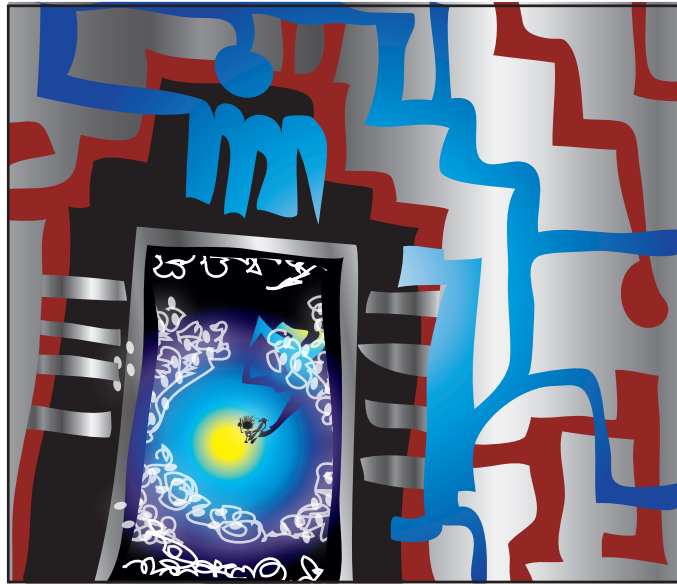

Zoom out to Spark conducting entire orchestra.

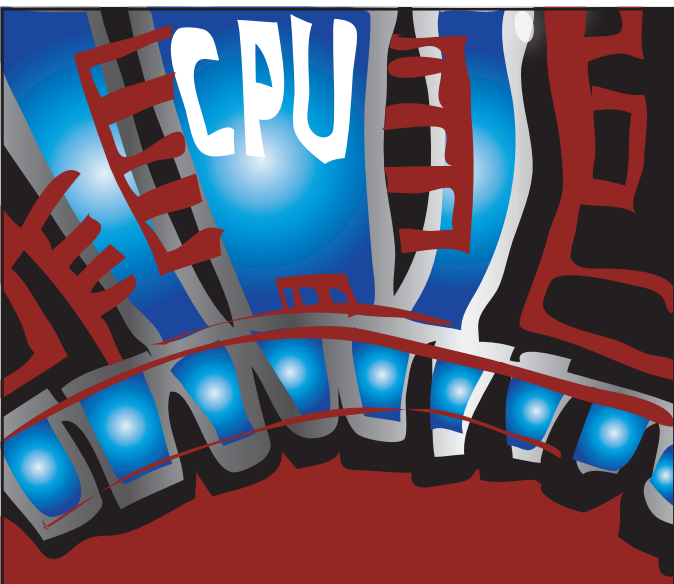

CU Spark conducting with audience behind him.

Spin behind Spark and zoom out until...

Ext Concert Hall. We see the entire orchestra and audience. The hall is shaped like a computer chip.

A computer chip in a city block of other computer structures, a bustling nexus much like Times Square.

Zoom out to reveal the Sound Card attached to a computer system. The card buzzes with traffic-like tiny lights.

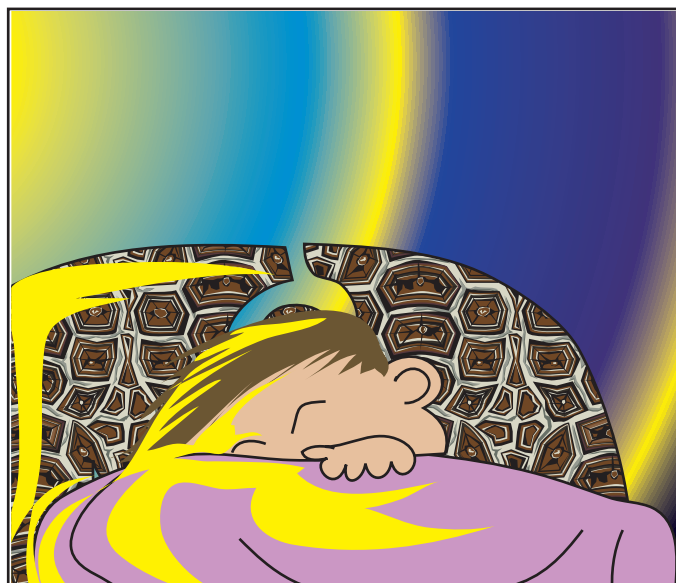

Zoom out of the computer screen.

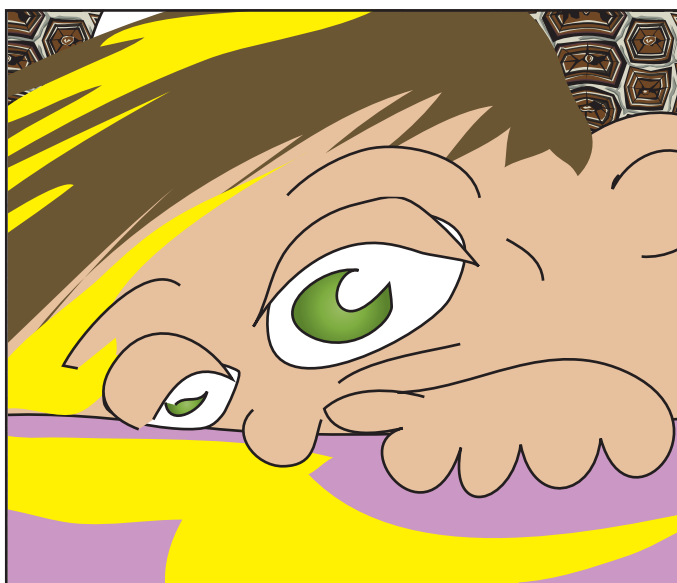

Zoom out to computer on a desk in a room.

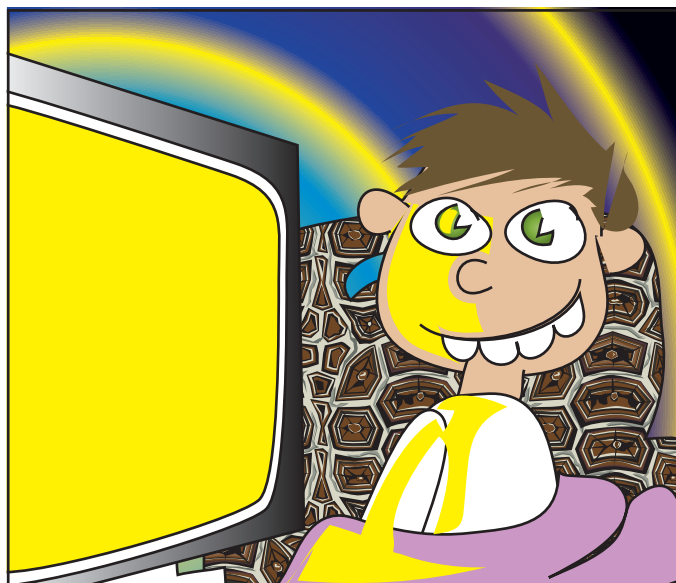

LS Sleeping boy in bed next to glowing computer.

Computer music washes over the boy.

CU Boy's eyes open.

WS Boy sits up, elated. He says "wow" to his computer.
